

Consent to Personal Data Processing

In accordance with Federal Law No. 152-FZ dated July 27, 2006 “On Personal Data”, I hereby grant consent, of my own free will and volition and for my own benefit, for Gazproneft-Lubricants LLC, registered at the address: 14 Krzhizhanovsky Str., bldg. 3, office 40, Moscow, Russian Federation, to the data processing, which provides for my personal data collection, recording, systematization, accumulation, storage, refinement (update, modification), retrieval, use, transfer (provision, access), depersonalization, blocking, deletion and destruction, for the purposes of the implementation of measures related to this electronic application.

Personal data processing is made both using automation facilities, including in information and telecommunication networks, and without their use.

The consent is granted immediately upon the execution of this application and shall be effective within the period provided for by the current law of the Russian Federation on personal data protection.

I have been advised that the consent to personal data processing may be withdrawn in accordance with part 2, article 9 of Federal Law dated July 27, 2006 No. 152-FZ “On Personal Data”. If and to the extent that this Consent is withdrawn, Gazproneft-Lubricants LLC shall have the right to continue the processing of my personal data without my consent in the presence of the grounds specified in clauses 2-11, part 1, article 6, part 2, article 10, and part 2, article 11 of Federal Law dated July 27, 2006 No. 152-FZ “On Personal Data”.

I agree that Gazpromneft-Lubricants LLC may use information contained in this electronic application for the purposes of specifying the information contained therein and advising of the course of consideration of this application.

Gazproneft-Lubricants LLC brings to your notice that electronic applications sent via the information and telecommunication network Internet are transferred through insecure communication channels. Gazproneft-Lubricants LLC is not responsible for the data security assurance while data are transferred via the information and telecommunication network Internet.
